Sunday, July 28th – Saturday, August 3rd, 2024
Alexandria Golf Club – Alexandria, MN

Online Resorters Registration Opens Monday, April 15th, 2024 – 10:00AM Central Time!

This year marks the 103rd Anniversary of the Resorters Invitational Golf Tournament. Online Registration will open Monday, April 15th at 10:00 AM and remain open until Sunday, April 21st at 6pm central time.

Please make note of the following information regarding electronic registration:

- You can access the electronic registration April 15th, 2023, at 10:00AM Central Time at our AGC website <https://alexandriagolfclub.com/the-resorters>.
- As we did last year, we will require entrants to complete a short player bio with critical information that will be used by the Resorters committee and the media. Failure to complete the bio may result in your entry not being accepted. The Resorters Player Bio form is available online and can be completed prior to your registration by [Clicking Here](#). We must have this information prior to the close of registration April 21st to be considered for confirmation into this year's Resorters.
- All registrations will initially be listed as “pending registration” until the committee has reviewed registrations and officially confirmed your status in the tournament. We are expecting a large volume of entries again this year so please register as soon as possible. Following the close of registration on April 21st, the committee will review registrations and entry status notifications will be sent by April 28th.
- All championship semi-finalists from each division and finalists in other flights in last year's Resorters will receive an exemption into this year's event (not applicable to consolation flights). A list of exemptions for this year's Resorters is posted on the website. **IMPORTANT:** Exempt players must complete their online registration by the close of registration – Sunday, April 21st at 6pm Central time. Failure to complete the online registration will result in forfeiture of the special exemption.

- You may view or edit your registration status anytime via Golf Genius using the username (email address) and password you created during registration.
- If you have an existing Golf Genius account (golfgenius.com), **please make sure you know the username and password prior to registering.** If you have forgotten your password, you will need to reset it prior to registration.
- If you do not have a Golf Genius account, you will be prompted during registration to create one. This allows you access to your registration and the ability to edit your registration and view the status.
- If you are registering for more than one participant, you will need to register with the actual participant's username (email address).

Please feel free to call the Pro-Shop at 320.763.3605 for support if you have issues with the online registration form. Although we will not be processing registrations over the phone or in person, we will be happy to assist you with the electronic registration if you have any issues. As in previous years, electronic entries are the only form of registration for 2024.

Thanks for your outstanding support of the Resorters. We believe this year's tournament will be very special for everyone involved and we look forward to seeing each of you in late July. We wish you all the best for a great golf season in 2024!

Sincerely,

Your Resorters Committee
